

## **LINKS to a Selection of Canadian Swift-related Sites**

Prepared by Winifred Wake, Chimney Swift Liaison for Nature London, April 18, 2018

**Ontario SwiftWatch** (Birds Studies Canada): Swift page contains information on swifts and swift monitoring.

[www.birdscanada.org/volunteer/ai/chsw/](http://www.birdscanada.org/volunteer/ai/chsw/)

**Manitoba Chimney Swift Initiative:** for all things swift in Manitoba.

[www.mbchimneyswift.ca](http://www.mbchimneyswift.ca)

**Swift Care Ontario:** wildlife rehabilitation centre based in the London area, specializes in providing superior care to aerial insectivores especially Chimney Swifts.

<https://www.facebook.com/SwiftCareOntario>

[swiftcareontario@gmail.com](mailto:swiftcareontario@gmail.com)

**Chimney Swift notecards** by Toronto wildlife artist Alan Li; 3 for \$10.80 including shipping; 50% of proceeds go to Swift Care Ontario.

[www.alanlidrawings.com/printscards/](http://www.alanlidrawings.com/printscards/)

**Native plant websites:** Encourage native insects by growing native plants in your yard (with luck, some of these insects may waft upwards to become food for swifts). For recommended species to grow and where to obtain them:

**Upper Thames River Conservation Authority**

([www.thamesriver.on.ca/watershed health](http://www.thamesriver.on.ca/watershed_health))

**Carolinian Canada** ([InTheZoneGardens.ca](http://InTheZoneGardens.ca))

List prepared April 18, 2018
