

London Symphonia is delighted to offer Nature London Members and their friends, 20% off any type of ticket(s) for the remainder of our 2022 2023 Season!

TO GET YOUR DISCOUNTED TICKETS

- Click on [London Symphonia's website](#)
- Choose the concert(s) you wish, and the number and type of tickets: In-person (regular or premium), or Live-stream (with this ticket you can watch the live performance and/or on demand at any time and for as many times as you wish for the week following)
- When prompted enter code **NL2023D** and payment information

Children under 12 and all students are free this season thanks to a wonderful grant from the Lawson Foundation:

- **Children under 12** - On the in-person ticket page, there is a spot to check off the number of children's tickets you would like
- **Students** - This is for primary, high school and post secondary students - when prompted, enter code **student2223X**. Any ticket that requires a code needs to be a separate transaction. In other words it is 2 transactions to get a regular AND a student ticket.

Please note that we require you to wear a mask when in the venue

Hope you are able to join us for a concert or two!
